

Ahmet Budak

ahmet2.bdk@gmail.com / +90 537 747 2952 / Turkey, Sakarya,

Summary

Always open to learning enthusiastic and determined in group work. I take care to keep up with teamwork and work on my projects with the best result and the least cost. Open-minded and able to grasp new tools-technologies and concepts quickly to develop innovative solutions. Curious to develop new systems and cloud infrastructure.
